

Research & Abstract Publications, 1995-2008

- Ranney, T. G., L. F. Grand, and J. L. Knighten. 1995. Susceptibility of cultivars and hybrids of kousa dogwood to dogwood anthracnose and powdery mildew. *J. Arboriculture* 21:11-16.
- Abad, Z. G., H. D. Shew, and L. F. Grand. 1995. A new species of *Pythium* producing multiple oospores isolated from bentgrass in North Carolina. *Mycologia* 87:896-901.
- Starrett, M.C., F. A. Blazich, L. F. Grand, and S. R. Shafer. 1995. Response of seedlings of highbush blueberry to *In Vitro* ericoid mycorrhizal inoculation. 40th Ann. S. Nurserymen's Assoc. Res. Conf. Rept. 40:266-268.
- Starrett, M.C., F.A. Blazick, L.F. Grand, and S.R. Shafer. 1996. Response of microshoots of mountain andromeda to in vitro ericoid mycorrhizal inoculation. Southern Nurserymen's Assoc. Res. Conf. 41:239-241.
- Benson, D.M. and L.F. Grand. 1999. Disease incidence of *Phytophthora* root rot of Fraser fir in North Carolina. *Phytopathology* 89:S6. Abstr.
- Grand, L.F. and C.S. Vernia. 1999. Fungal diversity in a barrier island maritime forest in North Carolina. *Proceedings XVI Inter. Bot. Congress.* p.303. Abstr.
- Grand, L.F., C.S. Vernia, and C.S. Hodges. 1999 First report of *Thyronectria austroamericana* canker on thornless honey locust in North Carolina. *Plant Dis.* 83:1177.
- Vernia, C.S., and L.F. Grand. 2000. Polypores of a North Carolina Piedmont forest. *Mycotaxon* 74(1):153-159.
- Benson, D.M., and L.F. Grand. 2000. Incidence of *Phytophthora* root rot of Fraser fir in North Carolina and sensitivity of isolates of *Phytophthora cinnamomi* to metalaxyl. *Plant Dis.* 84: 661-664.
- Black, M.C., L.F. Grand, and C.S. Vernia. 2000. First report of the telial stage of *Gymnosporangium exiguum* on ashe juniper (*Juniperus ashei*) adjacent to hawthorns (*Crataegus* spp.) with rust in southwest Texas. *Plant Dis.* 84: 489 Abstr.
- Starrett, M.C., F.A. Blazick, S.R. Shafer and L.F. Grand. 2000. Methods for lyophilizing and using ericoid mycorrhizal fungi. Patent; 2000 Nov. 14, USG, 146,880.
- Koenning, S.R., F.F. Alim, L.F. Grand and P.M. Phillips. 2000. Stem canker on cotton caused by *Phoma exigua* in North Carolina and Virginia. *Plant Dis.* 84:1251.
- Grand, L.F. and C.S. Vernia. 2000. Distribution of Poroid wood-decay fungi in North Carolina. *Inoculum*, suppl. to *Mycologia* 51:32. Abstr.
- Bernard, B., C.S. Vernia and L.F. Grand. 2001. Computer - and internet - based teaching resources for undergraduate plant pathology courses. *Micologia Aplicada Inter.* 13:61-68.
- Grand, L.F. and C.S. Vernia. 2001. New reports and biogeography of poroid wood-decay fungi in North Carolina. *Phytopathology.* 91 (6, suppl.): S111. Abstr.

- Starrett, M.C., Blazich, F.A., Shafer, S.R., Grand, L.F. 2001. *In vitro* colonization of micropropagated *Pieris floribunda* by ericoid mycorrhizae. I. Establishment of mycorrhizae on microshoots. HortScience. 36(2):353-356.
- Starrett, M.C., Blazich, F.A., Shafer, S.R., Grand, L.F. 2001. *In vitro* colonization of micropropagated *Pieris floribunda* by ericoid mycorrhizae. II. Effects on acclimatization and growth. HortScience. 36(2):357-359.
- Grand, L.F. and C.S. Vernia. 2002. New taxa and hosts of poroid wood-decay fungi in North Carolina. Castanea. 67:193-200.
- Grand, L.F. and C.S. Vernia. 2002. A preliminary checklist of fungi in Nags Head Woods maritime forest in North Carolina. Castanea. 67:324-328.
- Grand, L.F. and C.S. Vernia. 2003. Noteworthy Collections, North Carolina, *Cryptoporus volvatus* (Peck) Shear. Castanea. 68:88-89.
- Benson, D.M. and L.F. Grand. 2003. Progress of Phytophthora root rot in plantations of Fraser fir. Phytopathology (Suppl.) 93:58. Abstr.
- Grand, L.F. and C.S. Vernia. 2004. Biogeography and hosts of wood decay fungi in North Carolina: Species of *Phellinus* and *Schizopora*. Mycotaxon 89(1):181-184.
- Grand, L.F. 2004. Diversity and distribution of poroid wood decay fungi in the southern Appalachian Mountains. Inoculum Suppl. to Mycologia 55(4):14 Abstr.
- Grand, L.F. and C.S. Vernia. 2004. Biogeography and hosts of poroid wood decay fungi in North Carolina: Species of *Ceriporia*, *Ceriporiopsis* and *Perenniporia*. Mycotaxon 90(2):307-310.
- Grand, L.F., C.S. Vernia and J. Perry. 2004. Noteworthy collections, North Carolina, *Phylloporia fruticosa* (Berk. & M.A. Curtis) Ryvarden. Castanea 69:237-238.
- Grand, L.F. and C.S. Vernia. 2005. Biogeography and hosts of poroid wood decay fungi in North Carolina: Species of *Coltricia*, *Coltriciella* and *Inonotus*. Mycotaxon 91(1): 35-38.
- Grand, L.F. and C.S. Vernia. 2005. Biogeography and hosts of poroid wood decay fungi in North Carolina: species of *Fomes*, *Fomitopsis*, *Fomitella* and *Ganoderma*. Mycotaxon 94:231-234.
- Benson, D.M., L.F. Grand, C.S. Vernia and T.R. Gottwald. 2006. Temporal and spatial epidemiology of Phytophthora root rot in Fraser fir plantations. Plant Dis. 90:1171-1180.
- Grand, L.F. and C.S. Vernia. 2007. Biogeography and hosts of poroid wood decay fungi in North Carolina: Species of *Abortiporus*, *Bondarzewia*, *Grifola*, *Heterobasidion*, *Laetiporus* and *Meripilus*. Mycotaxon 99:99-102.
- Grand, L.F., C.S. Vernia and M.J. Munster. 2008. Biogeography and hosts of poroid wood decay fungi in North Carolina: species of *Trametes* and *Trichaptum*. Mycotaxon 106:243-246.

Extension and Public Service Publications, 1995-2007

- Grand, L. F. and R. K. Jones. 1995. Root and butt rot of oaks. Dept. Plant Path. Info. Note, Ornamental No. 30, 2 pp.
- Averre, C. W. and L. F. Grand. 1995. Wild mushrooms and poisoning - the dos and don'ts. Dept. Plant Path., N. Carolina St. U., General Principles Extension Note No. 012. 2pp.
- Russell, A.B., J.W. Harden, L.F. Grand, and A. Fraser. 1997. Poisonous Plants of North Carolina. <<http://russel4.hort.ncsu.edu/poison/poison.htm>>
- Grand, L.F. and C.S. Vernia. 1999. Fungal biodiversity in a barrier island maritime forest in North Carolina. Dept. Plant Pathology, N.C. St. Univ., Raleigh. Pamphlet. 2pp.
- Grand, L.F. and C.S. Vernia. 1999. Fungus survey – 1999 results. Reprtr. to NC State Park Superintendents and Park Rangers. 5pp.
- Grand, L.F. and K.R. Barker. 1999 Harry Ernest Duncan, 1936-1997. Phytopathology 89:612. Obituary.
- Grand, L.F. and C.S. Vernia. 2000. Fungus survey -- 2000 results. Reprtr. to NC State Park Superintendents and Park Rangers. 8 pp.
- Averre, C.W. and L.F. Grand. 2000. Wild mushrooms and poisoning. Plant Pathology information note. Revised. 2 pp.
- Grand, L.F., R.K. Jones and C.S. Hodges. 2000. Root and butt rot of oaks. Plant Pathology information note. Revised. 3 pp.
- Jones, R.K., L.F. Grand and C.S. Hodges. 2000. Dogwood diseases. Plant Pathology information note. Revised. 5 pp.
- Jones, R.K., L.F. Grand and C.S. Hodges. 2000. Some common diseases in North Carolina. Plant Pathology information note. Revised. 4 pp.
- Jones, R.K., D.M. Benson, L.F. Grand and C.S. Hodges. 2000. Diseases of Leyland Cypress. Plant Pathology information note. Revised. 3 pp.

Book and Book Chapters, 1995-2007

- Linker, H. M., Coordinator, 1996. Integrated pest management for North Carolina municipalities. N. C. Coop. Ext. Service, N. Carolina St. U., Raleigh, NC 27695-7620. 263 pp.
